

This is to certify that

JOSEPH GALLAGHER GROUP

is the **winner** of a

NATIONAL BRONZE

Green Apple Environment Award

This was presented during a
carbon-neutral presentation ceremony at

The Houses of Parliament, London

on

Monday, November 15, 2021

A donation has been made on the winner's behalf to

whose tree-planting in emerging nations helps the environment and wildlife,
and creates employment opportunities for the local communities.

The Green Organisation began in 1994 and is an independent, non-political, non-profit environment group, dedicated to recognising, rewarding and promoting environmental best practice and CSR around the world.
